This Schedule of Fees is current as 9 October 2024 and is subject to change without notification.

A student will be required to pay tuition fees upfront if their HELP Loan Limit is reached. Students will be advised of this when they apply.

TAFE SA has open enrolments and self-paced learning and the commencement date of each Unit of Study is selected by the student on their registration into their class. The Census Day column shows how many days after the selected commencement date the Census Date for that specific Unit of Study will fall.

Once registered, students will be allocated Census Dates for each of their classes. These Census Dates can be checked using the Census Date calculator
